SANTA BARBARA HISTORICAL MUSEUM

THE MISSION of the Santa Barbara Historical Museum is to be a repository, interpreter and communicator of the rich history of the Santa Barbara region. Through exhibitions, scholarship, educational programs and preservation of the region's material culture, we connect people of all backgrounds to historically important ideas, people and objects.

The prolific western artist John Edward Borein (1872-1945) settled in Santa Barbara in 1921 and recorded the essence of the cowboy spirit in exacting detail.
