## *Outreach Programs*

### **450 Years of Santa Barbara History**

This signature presentation tells the story of our area from the first contact between the Europeans and the Chumash people to the present.

### **Santa Barbara Women**

This outreach program highlights the many women who greatly influenced Santa Barbara's history, institutions and culture.

### **Santa Barbara Architecture**

Explores the architectural history of our city and the influences that makes Santa Barbara the California Riviera it is today. The focus is on the Spanish colonial style and the Victorian era.

### **Flying-A**

Discover the silent film era of Santa Barbara History. Before Hollywood, there was Santa Barbara! This presentation offers a glimpse into the legacy of the studio that cranked out hundreds of films, and the influence of these early pioneers on the movies and television of today.

### **Santa Barbara WWII**

Have you ever wondered what it was like to live in Santa Barbara during WWII? We offer a WWII presentation, which provides an overview of the impact of WWII on the Santa Barbara community and a look into the important role of the town during the war.
